### **Step 3: Registration**

After reviewing our Open Accomodation Agreement, select the options that apply to your business. Then, agree to our clauses by clicking "*Agree & Continue*"

The Agreement is only effective after approval and confirmation by Booking.com B.V.

#### General delivery terms

This Agreement is subject to and governed by the General Delivery Terms (the "GDTs"). The Partner declares that they have read and hereby accept the GDTs.

#### Additional properties

Every additional property which will be registered on Booking.com and listed in the name of or under the name of the Partner will automatically fall under the scope of this Agreement and will be subject to and governed by the GOTs. All reservations made prior to the acquisition of the property will be honored by the Partner in accordance with (a) the terms of this Agreement (and GOTs) and (b) the relevant reservation conditions and commission percentage as applicable on the date of reservation.

#### The Partner must fulfill at least one of the two clauses below:

- The Partner represents and warrants that it has the sole and exclusive right to market, promote, distribute and make the Accommodations available by itself or its distribution partners.
- The Partner is responsible for (and shall duly and diligently perform, render and provide) on-site property management services such as key-handling, on-site customer service, linens/towel services (if applicable) or cleaning.

#### Please check all boxes below:

- The Partner certifies that this is a legitimate accommodations business with all necessary licenses and permits, which can be shown upon first request. Booking.com B.V. reserves the right to verify and investigate any detail the Partner provides in this registration.
- The Partner has read, accepted and agreed to:
- General delivery terms for United States of America
- XML Service Schedule

Date: Apr 18, 2022

- with Booking.co
- To partner with Booking.com, you must select at least one of the two clauses located under "The Partner must fulfill at least one of the two clauses below".
- If the two options apply, then select both.

## It's time to build your properties!

### Thank you!

You've submitted all the necessary details to start working with Booking.com.

We sent an email to

@gmail.com confirming your registration.

What's the next step?

Start adding each individual property you have to Booking.com

#### Add your first property

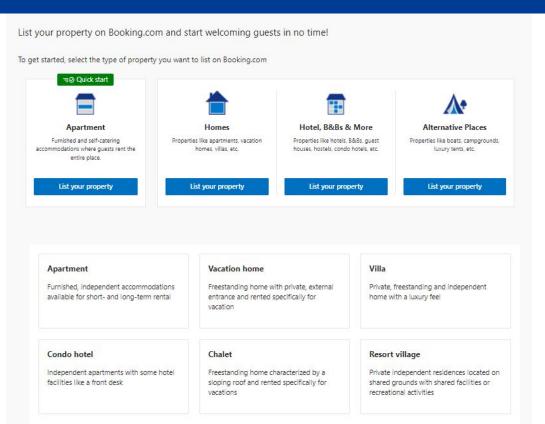

- Click on "Add your first property"
- An email has been sent with the information to Log in to our extranet
- The website is

### admin.booking.com

### Step 1: Self Build

To start the building process, you need to select the type of property that best fits your inventory, However, depending on the current channel manager integration this may vary. (See notes below for more information on this)

- To be able to build and connect your properties successfully with this channel manager, you need to select "Homes"
- Click on *"List your property"* under Homes. (Disregard the other property types regardless of your accommodation)
- After you click on "List your property" under homes. Select "Vacation Home"
- As mentioned above, those selections are very important to be able to accurately build the properties on our platform

### Step 2: Self Build

Click on "Entire Place" to move forward.

Entire place Guests have access to the entire place and don't have to share it
with the host or other guests.
A private room
Guests rent a room within the property. There are common area that are shared with either the host or other guests.

• Click on "Entire Place" and continue.

### Step 3: Self Build

Select *"Multiple Vacation Homes"* and answer *"Yes, these vacation homes are at the same address or building"* and add the number of properties.

	One vacation home
	Multiple vacation homes
re these p	properties at the same address or building?
9	Yes, these vacation homes are at the same address or building
•	No, these vacation homes are at different addresses or buildings

- This selection will be done when there are multiple properties with the same amenities, same decor, located at the same address or have the same check-in area (also know as a cluster). Since there will be one check-in area for CampSpot groups, it has been decided that properties will be clustered. Add the number of properties you have.
- If the the properties have different amenities, decor and located at a different address, check with your channel manager on the best way the connection can be supported.

### Step 4: Self Build

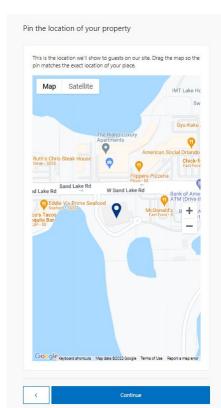

Click "Continue" to move forward with the building process. Assuming this is the correct setup based on what was mentioned before in the previous slide.

### Step 5: Self Build

Write the exact physical address of your property and make sure is pinned Accurately in the map.

### Step 9: Self Build

(Payments by Booking will be available for property managers in the US in June 2022. Exact date is currently unknown)

Answer "Yes" the following question (See notes)

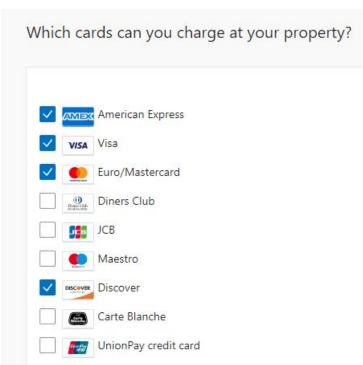

- The Answer is "Yes".
- Why? We currently do not have payment solution for Multi Property Partners (Answering "No" will not be the correct payment setup for your properties at this time).
- By answering "Yes" to this question, you will process credit card payments with your payment processor. You will collect all the monies and we will send you an invoice of our commission on the 5th of each month for the reservations that checked out on the previous month.
- Booking.com will not be the Merchant of Record.

## Step 10: Self Build

Select the Credit Cards that you will be accepting in our platform.

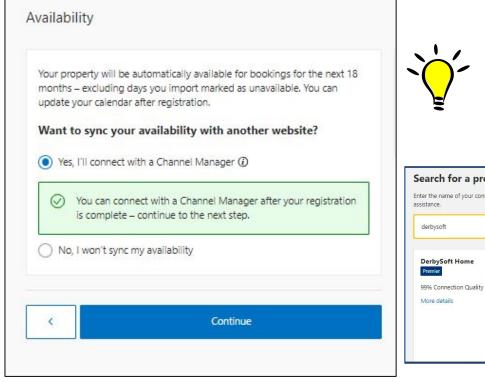

- Check with your Payment Processor which credit cards are accepted and make sure they are selected here.
- Booking.com will pass the credit card information directly to you (the partner) to be processed on your end.
- Make sure you are aware of the payment processor settings and processes to accept payments.

Booking.com is not the Merchant of Record.

## Step 11: Self Build

Since you will be connecting to a channel manager, Answer the question "Yes", I'll connect with a channel manager. (See notes)

- Answering "Yes" will allow you to connect the property to a channel manager that pushes rates and availability.
- Property should go LIVE once it is connected to a channel manager and all the other steps are taking care of, Not before.
- Partners are fully responsible of opening the properties and need to make sure properties are set up for success.
- Steps and explanation on how to connect to a channel manager will be given later on this presentation.
